

Blessed Water Offering Prayer

Beginning of Mississippi River
Itasca, MN.
June 22nd, 2001
Time 3:33pm

Dear Lord Heavenly Father,
please accept this Blessed Water offering this day as it flows down
the center of our country, the United States of America.

May it bring forth a new springtime and spread the love of our Lord Jesus from east to west, and north to south.
Through the guidance of the Holy Spirit may this Holy Water bring the whole country back to the sacred heart
of Jesus,

and the reign of the Immaculate Heart of Mary.

May it bring God back to the center of our lives and families. We humbly pray that Jesus may return to be
forever the most important part of our lives and families.

That through the intercession of our Blessed Virgin Mary that her family may be unified, that husband and wife
may become one in their faith and love
for your son our Lord Jesus Christ.

We pray that this blessed water offering will unify our country and bring all back to the most basic and most
important principal of having our Lord as the center of our lives.

May this offering bring us all to love, adore, and obey the Lord our God.

Lord please accept this prayer for we give you thanks and praise this day for the countless blessings you have
given us, the love you have shown us,
and the Holy Spirit who will guide us.

May all turn to prayer that your kingdom will come and unify
all people in this country now and forever.

Amen.
