

Registration is now open for the 2026 Men's ACTS Retreat sponsored by St. Bernadette, Annunciata, Holy Family, and St. Eloi Churches on March 19-22, 2026.

Attending an ACTS retreat is a deeply joyful experience that draws participants away from the noise of everyday life and into a renewed awareness of God's presence. Through prayer, meaningful talks, the sacraments, and authentic fellowship, many discover a profound sense of peace, belonging, and spiritual renewal. The retreat offers time to reflect, to be strengthened in faith, and to form lasting friendships rooted in Christ. Those who attend often return with grateful hearts, renewed hope, and a desire to live out their faith more fully within their families and parish community.
